IAU | LIBRARY RESOURCES & SKILL ASSESSMENT

ALL ONLINE STUDENTS MUST COMPLETE THIS SECTION. This is not required for Applicants who are studying at IAU's Campus Program. If you have any questions regarding this section, please contact The Office of Admissions & Records at (323)938-4428 or email us at info@iau.la

To ensure that students will be successful, an assessment shall be made at the time of admissions evaluation. An assessment shall be made on whether each prospective student has the skills and competencies to succeed in an online learning (eLearning) environment, as well as a student's access to computer, software, and internet technologies. These will be taken into consideration before admitting a prospective student into the program.

As a student of International American University, I acknowledge that I have the appropriate access to library and computer resources to successfully complete for the educational program for which I have applied. I have access to a local library that contains reference works, periodicals, monographs, and media equipment. The local library I have access to is:

Online learning is not for everyone. While some people thrive on the independence and freedom offered through such classes, others find themselves regretting their decision and wishing they had enrolled in a traditional school instead. **Please respond to the survey below so that we may assess your ability to be successful in an eLearning environment.**

(NOTE: Answering "No" to any one question does not necessarily disqualify you from admissions.)

ANALYSIS OF CREDENTIALS

Per Secondary School Certificate issued by the Board of Secondary Education of State of Andhra Pradesh, the applicant, **Mr. Joe Eagle**, completed her Secondary School Certificate Examination in March 2000. This credential is equivalent to completion of 10th grade education at a recognized school in the U.S.

After attaining her secondary school certificate, **Mr. Joe Eagle**, was admitted to Quli Qutub Govt Polytechnic (Hyderabad, India) in its three-year diploma program in *mechanical engineering*. The admission to this program is based on completion of secondary school certificate examination.

Mr. Joe Eagle completed her studies at Quli Qutub Govt Polytechnic, Hyderabad, with passage of final examinations held in Nov-Dec 2003, and was awarded the credential of *Diploma in Mechanical Engineering*. The diploma is evidence that she completed her course of study at the university. This credential is equivalent to one (1) year of coursework of a four-year undergraduate program at an accredited college or university in the U.S.

Subsequently, **Mr. Joe Eagle** was admitted to Jawaharlal Nehru Technological University (Hyderabad, India) in the second year of its four-year undergraduate program in *mechanical engineering*. Upon completion of the prescribed program, with passage of final year examinations in April 2007, she was awarded the degree of Bachelor of Technology in Mechanical Engineering. Based on her performance in the examinations, she graduated in the First Class.

This credential is equivalent to a ***Bachelor of Mechanical Engineering*** from an accredited college or university in the U.S.

In summary, taking into account the nature of the institution(s), the length, scope and structure of the program, and grades earned, it is our judgment that the course of study completed by **Mr. Joe Eagle** is equivalent to a ***Bachelor of Mechanical Engineering*** from an accredited institution of higher education in the U.S.
